Dear Registered Manager,

**I am delighted to invite you to the launch of the Cambridgeshire Registered Managers Network**

There are many Registered Managers networks throughout England and this is the first network to be set up in Cambridgeshire. It is promoted by Worldwide Training Partnership and supported by Cambridgeshire County Council.

A network is designed to enable Registered Managers to reduce their isolation at a local level by offering peer support. They are also able to keep up with latest developments and changes in legislation regarding Adult Social Care, by speaking to and learning from regulators or commissioners. The network is led by the Registered Managers themselves and therefore the topics discussed at meetings are always relevant to those attending.

The launch will be held at \_\_\_\_\_ on Thursday 23<sup>rd</sup> May 2019 at 2pm and will finish by 5pm. At this meeting you will be able to plan the programme of meetings for the Cambridgeshire Network for the coming year. Your involvement and input is vital to the success of the network to enable it to reflect your professional needs.

You will be asked on 23 May to vote and decide the topics or information you require, such as:

- Employment law
- End of life care
- Is your service well-led?
- Importance of nutrition in older people
- Fire Safety Seminar

There are so many different topics that could be addressed but you as a group will be able to decide your priorities. We would welcome any suggestions of additional topics you would like to be included.

I do hope that you will be able to come on 23 May and I look forward to personally welcoming you. To book your FREE place, or for further information, please contact Worldwide Training Partnership by e-mail at [admin@worldwidetrainingpartnership.com](mailto:admin@worldwidetrainingpartnership.com) or on (01733) 238309.

Yours sincerely
